# 30" TIGHT SPACE DEMO BAR

SKU GBAR-030 / UPC BARCODE 896908001030

## PRODUCT OVERVIEW

- ➔ The 30" Tight Space Demolition Bar is purpose-built for demo jobs that require high force in confined areas with limited room to operate.
- ➔ Developed at the request of loyal Gutster users who often work in tight spaces where larger bars can't be used.
- ➔ Created to deliver the same functionality, stability, and effectiveness of full-size Gutster bars while offering a compact, maneuverable design.
- ➔ Built with high-strength, hardened, reinforced steel and finished with a perma-durability powder coat that resists rust on demanding jobsites.
- ➔ Now a staple tool for general contractors, specialty trades, and remodelers, providing fast, safe, and efficient performance in restricted work areas.
