BREATHETECT ULTRA - PROTECTION FILM

SKU BTUSP - 4084 / UPC BARCODE 795847514499

PRODUCT OVERVIEW

- ➔ BreatheTect Ultra is a highly breathable, anti-skid protection film engineered for high-value surfaces that require premium jobsite protection.
- ➔ Delivers an industry-leading breathability factor—80x higher than any other product available
- ➔ Ideal for large-format tile installations, where mortar beds need maximum airflow to fully cure
- ➔ Features a padded, waterproof top layer and a proprietary anti-slip backing that stays securely in place while preventing slips and spills.
- ➔ Fully reusable and residue-free, providing a reliable, cost-effective protection solution
