Gutster

DISPOSABLE COVERALLS TYPE 5/6

SKU SAT - 02 / UPC BARCODE 795847514628

PRODUCT OVERVIEW

- ➔ Gutster Disposable Coveralls are engineered for hazardous dust and limited liquid splash environments, delivering reliable protection
- ➔ Certified to Type 5 and Type 6 standards, providing a trusted barrier against airborne solid particulates and light liquid splashes.
- ➔ Made from breathable microporous fabric that reduces heat stress during extended wear
- ➔ Designed with an elasticated hood, cuffs, waist, and ankles, ensuring a secure fit and full-body coverage
- ➔ Features a two-way zipper with storm flap and low-lint construction, making them ideal for asbestos handling, insulation, painting, and maintenance work.
