PRODUCT OVERVIEW

- ➔ The 60" Flooring Demo Bar is designed with an round shaped steel handle, built to withstand the toughest applications
- ➔ Quickly penetrate walls, floors and ceilings, and easily slide underneath cabinets, trims, toilets
- ➔ Stop prying one side of the fastener at once, and then moving to the other. By straddling, we do both sides of the fastener at once!
- ➔ The nail puller across the back fits almost every size nail head, and keeps you from having to switch tools throughout your project
- ➔ The angled lift plates capture your momentum, while the flat skid plates provide maximum stability and leverage
