# RED ROSIN PAPER

SKU RP - R - 36166 / UPC BARCODE 795847514543

## PRODUCT OVERVIEW

- ➔ Red Rosin Paper is a temporary surface protection solution ideal for painting, tilework, and other light-duty construction projects.
- ➔ Made from heavy, non-adhesive paper that is tear-resistant and water-resistant for short-term protection.
- ➔ Acts as a surface protection layer and moisture barrier, helping shield floors from paint overspray, plaster, and wet materials.
- ➔ Commonly used between subfloors and wood flooring to reduce squeaks, help soundproof finished areas, and seal small gaps.
- ➔ Produced from recycled, biodegradable paper, making cleanup fast, easy, and environmentally conscious.
