SEAM APPLICATOR TOOL FLOOR TAPE

SKU SAT - 02 / UPC BARCODE 795847514628

PRODUCT OVERVIEW

- ➔ The Gutster Seam Applicator Tool is designed for fast, efficient seam tape application on surface protection materials.
- ➔ Built with heavy-duty construction to withstand rugged jobsite conditions and repeated daily use.
- ➔ Features an ergonomic grip that provides comfort and control during long runs of tape application.
- ➔ Delivers a smooth rolling action to apply tape evenly, helping prevent lifting, bubbling, or curling at seams.
- ➔ Compatible with Gutster Surface Protection Tape and most standard seam tapes, making it ideal for floor prep, painting, demo, and remodel projects.
