48" WALL CEILING DEMO BAR

SKU GBAR-030 / UPC BARCODE 896908001030

PRODUCT OVERVIEW

- ➔ The 48" Wall Ceiling Demolition Bar is engineered specifically for wall and ceiling demo work, where tools must be held in front of or above the user for long periods.
- ➔ It is 20% lighter than the 48" Versatile Demo Bar, helping reduce arm fatigue during extended overhead use.
- ➔ Its head features a steeper angle on the handle, making leverage easier and improving efficiency on elevated tasks.
- ➔ Constructed from high-strength, reinforced steel with a durable powder-coat finish that withstands harsh demolition environments.
- ➔ Designed to help contractors save energy, improve safety, and maintain performance throughout demanding demolition routines.
