BREATHETECT - PROTECTION FILM

SKU BTSP - 4084 / UPC BARCODE 795847514482

PRODUCT OVERVIEW

- ➔ BreatheTect is a breathable, anti-skid protection film designed to safeguard high-value surfaces during construction and renovation work.
- ➔ Offers nearly 3x the breathability of other surface protection films
- ➔ Features a padded, waterproof top layer that guards against spills, drops, and impact while allowing floors to continue curing properly.
- ➔ Equipped with a proprietary anti-slip backing that keeps the film securely in place and reduces the risk of slips and falls on active jobsites.
- ➔ Fully reusable and residue-free, making it a reliable, cost-effective protection solution for contractors
